We hereby would like to inform you that we have been appointed distributors by ZKL KINEX a.s. for ZKL and KINEX brand bearings on an all India basis.

Please take note that ZKL Klasterec, spol s r.o. Czech republic, is the only registered owner of trade marks ZKL. It is registered in the trade mark register in Urad priemyselneho vlastnictva under the number 152893 as a combined TM, 151740 as a verbal TM and as a combined ZKL CZ 224757.

Permission to use trade marks ZKL are only with the companies of ZKL KINEX GROUP A.S., Slovakia, following the licence agreement. No other companies are allowed to use legally trade mark ZKL and if it is so these companies are violating the law.

We would like to bring to your awareness that there has been an increased supply of counterfeit ZKL brand bearings, since there has been an increased sales of duplicate ZKL bearings in India. Counterfeits of ZKL bearings are generally hard to recognize from the original bearings but have inferior quality and are offered at a lower price than those from authorized dealers.

Considering these facts ZKL KINEX is taking appropriate steps to protect its customers and end users. To fight against counterfeit of our bearings and protection of the ZKL trademark, you are encouraged to purchase via the sales network of ZKL KINEX, a.s. and from authorized ZKL stockists. This will provide you assurance about quality and origin of the bearings. Please see enclosed more details regarding ZKL KINEX and the threats of counterfeit bearings.

We are in the process of appointing registered stockists for ZKL KINEX Brand throughout India.
